HYSLOP WINS BY 2

REPUBLICAN CANDIDATE BECOMES REPRESENTATIVE.

ROBEY NOT TO CONTEST

Democratic Opponent Gets Two-Thirds of "Absentee' Ballots—Baker Was High Man.

By the smallest majority in the history of Nodaway county elections, Charles Hyslop, Republican candidate for representative from this county, won over his Democratic opponent, Arthur S. Robey, by only two votes, according to the official count finished this morning by the county court. It was only by the count of every ballot and a scrutiny in every detail, that the canvassing board was able to satisfy itself even then, that no error had been made.

The official count for this office as announced this morning by the county court without certification gives 2,879 votes to Robey, 2,881 to Hyslop and 551 to John H. Sewell. Of the twenty-one "absentee' votes cast over the state for Nodaway county candidates, fourteen went to Robey and seven to Hyslop. The count will not be verified until tomorrow.

Mr. Robey said this morning he would not contest the vote, thereby leaving Hyslop in undisputed possession of the honor.

The official count for the various offices shows that Dan R. Baker was highest man on the ticket with 706 majority, while Fred J. Yeomans, G. H. Westfall, successful candidate for clerk of the circuit court, and William G. Sawyers, prosecuting attorney-elect, followed in the respective order. Yeomans secured more votes than any one candidate.

The vote for each Democratic, Republican and Progressive candidate, with majority, follows:

MRS. THOMPSON DIES.

Succumbs This Morning at Home in Hopkins—Funeral Tuesday.

Mrs. John B. Thompson of Hopkins died at 11 o'clock this morning at the family home. She was about 55 years old and had been ill several months. The funeral services will be held at 2 o'clock tomorrow afternoon at the home.

Mrs. Thompson is survived by her husband and seven children.

THEATER SEASON OPENS.

Sarah Padden in the Little Shepherd of Bargain Row Wednesday Night.

To open the winter theater season at the Empire, Sarah Padden will be seen Wednesday night in "The Little Shepherd of Bargain Row." Those in Maryville who have seen Miss Padden are looking forward to Wednesday night with pleasurable anticipation.

"The Little Shepherd of Bargain Row" tells the story of Nora Blake, a

shop girl, a veritable "Peg o' My Heart," who, in her own language, "lands at the top of the head." The play is one of the most delightful of recent seasons and is sure to please the Maryville clientele as it has others.

The ticket sale opened this morning at Reuillard's with a good number out the first hour and a steady sale during the day.

Buys Thoroughbred Holstein.

J. N. George of Hopkins recently purchased of A. N. Zimmerman of Amazonia what is considered one of the best 2-year-old Holstein bulls in this part of the state. Mr. George's thirty nearest dams to this bull have an average record of thirty pounds of butter within seven days.

Mr. George already has quite a herd of Holsteins, there being now fifteen cows and heifers in the herd. Some of his stock was shown at the Nodaway county fair here in September, taking several prizes.

File Eckhouse Will.

The will of Morris Eckhouse, 48 years old, of Clyde, who died November 3, was filed in probate court today. He leaves the home place of 80 acres and all personal property until her death to his wife, Christiana Eckhouse. If she marries again or at her death the property goes to the children. His brother-in-law, John Anderson, is named as executor.

To Attend Missionary Meet.

The Rev. R. L. Finch, pastor of the First Christian church, will attend the annual fall session of the Seventh District Missionary society of the Christian church of St. Joseph tomorrow. There are twenty-three counties of northwest Missouri in the district. Mr. Finch is county officer of the society.

Returns To Skidmore.

Miss Wilma Mills, of Skidmore, who has been spending a few days in Maryville returned to her home today.

The Atchison Globe quotes a German as saying: "Vell, I hope it don't rain, for it would make the roads so bad I couldn't haul vater."

Mr. and Mrs. Preston Seafers, Mr. and Mrs. Ernest Welborn and Mrs. Cooper Gooden motored to Ravenwood yesterday to visit relatives.

FOR BETTER ROADS

LINCOLN TOWNSHIP VOTES TOMORROW ON $25,000 ISSUE.

LOST FIRST ELECTION

Proposition to Authorize Bonds for Highway Improvements Failed by 26 Votes Previously.

Lincoln township will vote for the second time tomorrow on a proposition to authorize the issuance of $25,000 in bonds for the building and improving of roads in the northwest township of Nodaway county. The first time the proposition was submitted, which was last summer, it lost by 26 votes, a two-thirds majority being required. However, it is firmly believed that the voters of Lincoln township will give the proposition a good majority in tomorrow's election.

The petition for a second election, which contained the names of sixty-two taxpayers of that section of the county was presented to the county court at its October meeting. An election was called then for October 31. Because, however, of a proposition being submitted at the same time to abolish township organization, which, if successful, would invalidate any township election, the date of the township bond election was set forward to November 10.

This would place the proposition to abolish townships before the voters November 3, or in ample time to call off the Lincoln township special election if the proposition on township abolishment carried. However, as the voters by an overwhelming majority, stood last Tuesday for the present plan of township organization, the Lincoln special election will go through as planned.

It was believed the opponents to the bond issue would naturally vote for township abolishment in last Tuesday's election, in order to thwart the bond issue. The returns show, however, that the Lincoln township voters registered 352 votes for townships and but thirty-four against. This appears to be a good indication that the voters will favor the proposed $25,000 road bonds tomorrow by a more than two-thirds majority.

If the proposition carries the township will be divided into special districts, as was done when Polk township voted $50,000 in bonds this year for the more expedient use of the improvement fund. It would be used for both road and bridge improvements.

The judges and clerks appointed for the special election tomorrow are:

North district—J. M. Tudder, J. W. Ferguson and C. E. Graham, judges; Z. T. VanSickle and C. E. Bowman, clerks.

South district—George Yates, Earl Brown and George Crowdes, judges; Eugene Humphrey and Fred Jones, clerks.

EXPECT MEAT ADVANCE

Stock Quarantine is Expected to Cause Higher Prices.

With seven states now under federal quarantine because of the foot and mouth disease among cattle, a general advance in the retail price of meats is expected by local dealers. Eggs and butter also may take an upward trend in price if the quarantine continues, it is feared. While virtually all meats, eggs and butter are being sold in the Maryville markets today at about the same prices as a week ago, a slight rise is anticipated in beef especially before the end of the week.

The closing of the Chicago and East St. Louis stock yards, however, is bound to produce a greater shipment of stock to the Omaha, St. Joseph and Kansas City markets, but probably at a reduced figure. Some believe stock raisers and farmers will rush their stock to market with the result that the markets will be flooded.

The closing of shipments out of Iowa comes nearer home and will have a greater effect than the quarantines on all other states in the Missouri river packing centers.

"Triangle" Plans New Train.

A new all-steel passenger train between St. Joseph and Chicago, to leave St. Joseph at 6 o'clock at night, is promised by S. M. Felton, president of the Chicago Great Western railroad. The new train would arrive at Conception Junction about 8 o'clock at night.

Plan Social at Mt. Everett.

An entertainment and box social will be held at the Mt. Everett school house tomorrow night. Miss Nora Felix is teacher of this school.

HEAR 'DRY' TALKS

STATE TEMPERANCE WORKERS ADDRESS CONGREGATIONS.

ONE-FOURTH IS "WET"

Speaker Says 80 Per Cent of People in This Country Live in Prohibition Territory.

That about 80 per cent of the persons in the United States live in prohibition territory, and that within ten years from now the entire country will be "dry" were two of many statements touching temperance made in two addresses in Protestant churches of Maryville yesterday by W. C. Shupp, state superintendent of the Missouri Anti-Saloon League. It was "temperance" day in all the churches of the city, and the "outside" speakers drew large audiences at each place.

In the First Christian church particularly the day was observed not only with a temperance sermon but also with special temperance songs, prayers and ceremonies incident to the occasion. The Sunday school also took up the work and unveiled the portraits of Abraham Lincoln and Robert E. Lee. The Sabbath pupils also secured more than 200 temperance pledges at the church yesterday morning and took up a collection to help the Anti-Saloon League in its fight on liquor.

The special prohibition speakers beside Mr. Shupp yesterday were Albert C. Bushnell of Kansas City, assistant state superintendent; H. D. Thompson, superintendent for the northeast district, and E. L. Jones, a special worker for the Missouri Anti-Saloon League.

Mr. Shupp spoke yesterday morning to the congregation of the First Presbyterian church, and last night at the First Christian church, instead of Mr. Thompson, who spoke at Sheridan. Dr. Bushnell spoke at the First Methodist church yesterday morning and at Hopkins last night. Mr. Thompson spoke yesterday morning at the Buchanan Street Methodist church. Mr. Jones addressed the First Baptist audience yesterday morning.

Each worker bounded his remarks to prohibition, the liquor fight and the work that has been accomplished by the National Anti-Saloon League.

It was declared by Superintendent Shupp that 47,000,000 of the probable 100,000,000 persons in the United States lived in "dry" districts prior to the general election last Tuesday, and that several more million entered into prohibition territory as a result of the election. He expressed the belief that fully three-fourths of the inhabitants of this country now live in either prohibition states or "dry" districts or towns.

He said there were now fourteen prohibition states or that nearly one-third of the country was entirely "dry," while nearly every state had prohibition counties and districts. He predicted that Kentucky and Texas, and probably several other states would go entirely "dry" the next time the question was submitted in those states.

PORT PROTECTION MAY PLACE HOLLAND AT WAR

Flushing's Attitude Towards Sea Crafts Indicates Trouble With Germans—Lull in Ypres Attack. But Prelude to Great Battle, Experts Believe.

London, No. 9.—Indications that Holland may be drawn into the war now covering Europe is shown in the following dispatch to the Daily Press from Flushing, Holland: "The Bourgemaster of Flushing announces that all boats except mail boats and recognized harbor craft found in the river Scheldt will be fired on by the Dutch forts.

"The appearance of strange vessels near Flushing recently has made this regulation necessary. The Dutch intend that the Germans shall have no opportunity of using Antwerp as a naval base."

Paris, Nov. 9.—A lull in fighting in the environs of Dixmunds and Ypres, in the best opinion there is only a prelude of further effort to which all forces that the Germans can raise will be concentrated. The last attack with twelve army corps failed. The next attack, it is expected, will be made by even a greater force.

ADMITS FRAUD BY CHECK

Elmo Man Gets 30 Days Sentence For Passing "Bad" Paper.

R. A. Alvis of Elmo, pleaded guilty to having cashed a worthless $5 check, and was sentenced to serve thirty days in the county jail by Justice Warren L. Johnson late Saturday afternoon. The check was on the Farmers and Merchants bank of Elmo. Alvis is said to have told William Cassell he had money in that bank and got Cassell to take the $5 out of the fund of John Kane, Cassell's employer.

The arrest of Alvis was first made by the city officers in Kane's saloon here. The charge then was drunkenness. He was fined $5 in police court, and being unable to pay was committed to the city jail. In the meantime the $5 check was returned for lack of funds. Information was then given to Prosecuting Attorney George Pat Wright and Alvis charged with attempting to defraud.

PROBATE COURT OPENS.

Ninety-Two Cases Are Docketed for the November Term Here.

The November term of probate court opened this morning with Judge W. H. Conn presiding. While there are ninety-two cases docketed for this term, none will be before a jury, it is believed. Nearly all are straight settlement cases.

TAKES TWO TO PRISON.

Sheriff Wallace Escorts Roy Gunn and James Stewart to Jefferson City.

Sheriff Edwin Wallace, accompanied by his brother, Duffy Wallace, went to Jefferson City today with Roy Gunn and James N. Stewart, who will be placed in the state penitentiary. Both were convicted of crimes in the September term of court here last month.

Gunn caused the death of Leonard W. Huddle, a farmer of near Burlington Junction, last May, in a fight at Burlington Junction one Sunday afternoon. The theft of a pint of whisky caused the fight. Gunn was sentenced to serve three years in the state prison for third degree manslaughter.

Stewart was convicted of criminal assault on his 17-year old niece at Elmo. He received a sentence of two years for carnal knowledge.

BOOM IN HOPKINS

FOUR BUSINESS HOUSES CHANGE OWNERS SATURDAY.

LIGHT SYSTEM READY

Electric Power Plant to Be Completed This Week—Ice Factory in View.

An unusual buying and selling activity at Hopkins Saturday resulted in the changing of ownership of several business houses and the plans for several new ones.

A. J. Gordon sold the Gordon grocery to Joseph Townsend, who will take possession of the business December 1. Mr. Townsend is a young farmer living north of Hopkins. He will move into the town and occupy the cottage owned by F. C. Wolfers, Sr., which he also purchased Saturday, paying $2,600.

A. H. Inman purchased the Burch livery, owned by Ira and Lloyd Burch, taking immediate possession. The Messrs. Burch have made no business plans for the future.

Another deal, which changed the management of the Staints garage, was made when McCleve & Dewitt, who have been operating the business, turned it over to the owners, William Jeffers & Son, who will manage it in future. McCleve & Dewitt in turn purchased the business of the Morehouse garage and assumed the management immediately.

New business houses to be erected are a two-story brick by William Lowden and a brick building by Sid Warren. Mr. Lowdon has given the contract to A. Owen for a two-story modern brick building on his lot, on the east side of Third street. The first floor has been leased to Harry Kayser, manager of the Hopkins Film theater.

Mr. Warren has been occupying a part of the Morehouse garage with the Warren blacksmith shop, and Saturday he purchased a lot of A. Owen and will begin at once the erection of a brick building which he will use for a shop.

Within the last nine months Hopkins has experienced a business boost which has given a new water system, a new electric light plant, numerous new business houses and residences, and the prospect of an ice plant to be built in the near future.

The electric lighting system will be completed and the lights turned on the last of this week. The plant was installed by A. H. Dalby of Grant City.

RUSS TELL HOW THEY PRESS GERMANS BACK

Czar's Forces Dislodge Teutons From East Prussian Front.

Petrograd, Nov. 9.—The following official communication was issued from general headquarters:

"On the East Prussia front our troops have dislodged the Germans from the region of Wirballen, which was strongly fortified, and have progressed as far as Stalluponen (sixteen miles northeast of Gumbinnen). In the region of Rominten forest and Lyck, our troops continue to press on the heels of the rear guards of the enemy.

"On the left bank of the Vistula our cavalry has penetrated German territory, damaging the railway near Pleachon station, to the northwest of Kalisz.

"On the road to Cracow on Nov. 6 we attacked the Austrian rear guards along the Nida river and the next day were operating on the river Nidzica.

"In Galicia our troops are continuing their offensive movement. In the latest engagements on the San river we captured 125 officers and 12,000 soldiers, as well as rapid fire guns and munitions of war. South of Przemysl on Nov. 6 we took more than a thousand prisoners."

FIGHTING IS LESS VIOLENT

French Report Battle Between North Sea and Lys Slowing Up.

Paris, Nov. The French official war statement says:

"Between the North sea and the Lys the fighting was less violent. Some attacks, not general, of the enemy were repulsed in the direction of Dixmude and to the northeast of Ypres. On almost all of this front we in turn took the offensive and advanced, notably in the region to the north of Messines.

"In the neighborhood of Armenteries, the British troops progressed slightly. Between La Bassee aand Arras the attacks of the enemy were repulsed.

"From Arras to Soissons nothing worthy of note took place.

"Around Soissons our forces made a marked advance. In the region of Vailly and equally on the right bank of the Aisne we strengthened our progress to the north of Chavonne and Soupir. A German attack on Cranonelle and Heurtebize was repulsed.

"In the neighborhood of Verdun to the northwest and to the southeast of the place we are establishing the supporting positions recently gained.

"A dense fog prevailed all day in the north as well as in champagne and Lorraine, hampering the action of the artillery and the aviation corps."

GERMANS TAKE ELEVATION

Reports Indicate Teutons Capture Point of Advantage.

Berlin, Nov. 9.—The following communication from German general headquarters was issued:

"Our attacks near Ypres and west of Lille continue.

"An important elevation near Vierne-La-Chateau, on the west side of the Argonne, which has been the object of fighting for weeks past, was taken. Two large guns and two quick firers were captured.

"For the rest, the foggy day passed calmly on the western theater of war.

"On the east nothing new has transpired."

INDIGESTION, GAS OR SICK, SOUR STOMACH

Time It!—"Pape's Diapepsin" Makes Your Upset, Bloated Stomach Feel Fine in Five Minutes.

"Really does" put bad stomachs in order—"really does" overcome indigestion, dyspepsia, gas, heartburn and sourness in five minutes—that—just that—makes Pape's Diapepsin the largest selling stomach regulator in the world. If what you eat ferments into stubborn lumps, you belch gas and eructate sour, undigested food and acid; head is dizzy and aches; breath foul; tongue coated; your insides filled with bile and indigestible waste, remember the moment "Pape's Diapepsin" comes in contact with the stomach all such distress vanishes. It's truly astonishing—almost marvelous, and the joy is its harmlessness.

A large fifty-cent case of Pape's Diapepsin will give you a hundred dollars' worth of satisfaction or your druggist hands you your money back.

It's worth its weight in gold to men and women who can't get their stomachs regulated. It belongs in your home—should always be kept handy in case of a sick, sour, upset stomach during the day or at night. It's the quickest, surest and most harmless stomach doctor in the world.

The grandchildren presented Mr. Wohlford with a handsome easy chair. Mr. Wohlford has been a resident of Nodaway county for fifty-five years and has lived for the entire time on his farm, three and a half miles northeast of Barnard.

D. A. R. Meeting.

The Daughters of the American Revolution held their November meeting Saturday afternoon at the home of Mrs. J. F. Montgomery, with Mrs. Montgomery, Miss Montgomery and Misses Elizabeth and Mary Q. Evans as hostesses. The afternoon was a Thanksgiving observance, and decorations and program were in keeping with the spirit of the season. Pumpkins, corn, fruits and autumn leaves were employed to carry out the harvest thought. Mrs. Anderson Craig read a very interesting paper on the colonial and present Thanksgiving customs, and Miss Ernestine Chase of St. Joseph, the guest of Miss Brownie Toel, gave a clever talk on her recent experiences abroad. Miss Toel gave a piano selection, presenting one of the old minuets. The chapter voted to extend to Mr. Martin Borrusch its thanks for his kindness in furnishing the flag pole and placing on the court house tower the flag presented by the chapter a few weeks ago. During the business session a prize of $5 was voted to be given to the eighth grade pupil of either Normal training school or public school making the best grade for the year in United States history. A luncheon concluded the meeting the menu served being of viands favorite to the Thanksgiving time.

Miss Chase Addresses Chapter.

Miss Ernestine Chase, the daughter of Mr. and Mrs. E. E. Chase of St. Joseph, who is the guest of Miss Brownie Toel, was a visitor at the meeting of the Maryville chapter of the Daughters of the American Revolution Saturday afternoon and entertained the members with a clever chat of her experiences abroad. Miss Chase reached her home about six weeks ago. In company with a number of other students from Vassar, Miss Chase went to Germany to spend a number of months in study. On account of the war troubles the college at which they were was turned into a home for soldiers, the professors were sent to the front and the students returned home. At the time war was declared Miss Chase was in Dresden. A personal recognition from the king and queen was an experience which befell Miss Chase, and delighted her very much. While going down the street one day, Miss Chase and her party were stopped and greeted by the king and queen, who, with their escorts, were driving by. Miss Chase attributed the recognition to the fact that each girl wore conspicuously displayed an American flag combined with the Bavarian colors. Miss Chase cited numerous instances of the respect in which the American flag is held, many people of other nations wearing the flag to secure the safety and good will accorded all Americans.

MATT McGRATH

"No athlete need fear to smoke as much as he wants, if he uses Tuxedo. It's a general help to any man. A pipeful of Tuxedo puts new life into me."

Matt McGrath

Tuxedo

The Perfect Tobacco for Pipe and Cigarette

Tuxedo grew rapidly in public favor without advertising; its natural growth reached the stupendous total of fifty or sixty million packages a year. Not until the past few months has it been possible to keep up with the demand for Tuxedo. Now increased facilities make it possible for every man to smoke this best of tobaccos.

Tuxedo is fine, ripened Burley tobacco of the highest grade—aged until thoroughly mild and mellow. Then treated by the famous "Tuxedo Process," that removes the last trace of "bite" and develops all the delicious Burley fragrance and flavor. Pure, mild, delightful Tuxedo is absolutely non-biting—try it.

Liquor Causes Accidents.

Sixty per cent of the industrial accidents in the United States are charged to liquor by R. L. Palmer, chief inspector of the Pennsylvania department of labor and industry.

"It will not be long," Mr. Palmer says, "before the saloon will be as much separated from the industrial plant as it is now from the church. As a matter of business we will have to furnish workmen better entertainment than saloons do. We also will have to pay in cash to prevent men going to saloons to convert their checks into currency."

The Family History.

A new arrival in a certain town has put up the following sign on his lawn:

My name is Piffelton Wombat.

KAISER HOLDS COUNCIL OF WAR

German and Austrian Armies Both on Defensive.

ALLIES HOLD FIRM IN WEST.

Only on One Point In Two Battle Fronts Do Teutons Make Claim of Success—Succeed In Taking Strong Position Near Vienne-La-Chateau.

WAR SUMMARY

Beyond the fact that the allied French, British and Belgian forces are taking the offensive, little has been made public regarding the operations in Belgium and northern France.

In the eastern field of the war, according to all official reports, the Russians have made decided progress against the Germans and Austrians, and Russian cavalry have penetrated German territory.

A newspaper dispatch estimates that about 3,000,000 Austrians and German troops are on the line from Cracow, in Galicia, to Thorn, in East Prussia.

Earl Kitchener, the British secretary of state for war, has telegraphed congratulations to Grand Duke Nicholas on the success of the Russian arms against the Germans and Austrians. Earl Kitchener predicted that the joint efforts of the allies would result in the final crushing defeat of the enemy.

A cruiser of the Breslau class, formerly owned by Germany and now attached to the Turkish navy, has bombarded the seaport of Poti, on the Black sea. Little damage was done and the fire of the Russians drove off the cruiser.

London, Nov. 9—A dispatch from Rome says:

"German advices received here say that Emperor William, much affected by the Russian victories, has held a council of war, which was attended by General von Hindenburg, the Duke of Wurtemburg and the Austrian chief of staff, Fie'd Marshal Baron Conrad von Hoetzendorf, to decide on a further plan of campaign."

The German and Austrian armies are now on the defensive, both in the east and west. They have, at least for the present, given up their efforts to break through the allied lines around Ypres in Belgium, where the British and French have taken the offensive, and, according to the reports from French headquarters, have commenced to advance, and in the east they have fallen back to and over their own frontiers in East Prussia, and in Poland have crossed the border, while the Russian cavalry has penetrated Silesia, to the north of Kalisz, and cut the German railway.

The Russians also are following up their advantage in Galicia and, it is said, have succeeded in cutting the retreating Austrians off from Cracow, and the German army is retiring through Poland. In fact, at only one point on the two battle fronts do the Germans claim success. That is to the west of the Argonne region, where the German emperor's forces have succeeded in taking from the French an important position near Vienne-la-Chateau.

Elsewhere the French troops have made progress and retaken the positions which they had lost during the course of the week. This is notably so in the Aisne valley around Soissons, where they have regained the ground which the Germans, by fierce assaults, had taken from them.

The Belgians, who are holding the line reaching to the coast, have also made progress and it would thus seem that the Germans are still waiting for additional reinforcements before renewing their attempt to smash through to the French seaports.

57,800 Casualties In Week.

Berlin, Nov. 9.—The latest German casualty list brought the total number of names contained in last week's reports up to about 57,800. Hospital records show that a very large proportion of the wounded have returned to duty. The last casualty list records the killing of three German aviators and the wounding of six others by hostile airmen.

Saxon Crown Prince Is Wounded.

London, Nov. 9.—Owing to a serious wound in the leg, received in action on the battlefield in France, Crown Prince George of Saxony has arrived at the royal castle at Dresden and will take no further part in the campaign, says a dispatch from The Hague.

Masters of Black Sea.

Rome, Nov. 9.—According to a telegram from Odessa, the Russians consider themselves absolute masters of the Black sea. The Turkish fleet, it is declared, has retired behind the Bosphorus and does not seem disposed to come out.

Mount Vesuvius Becoming Active.

Naples, Nov. 9.—After seven years of calm since its eruption in 1906, which was one of the longest pauses in its activity in three centuries, Mt. Vesuvius began an eruption in May, 1913, which has been constantly growing until it has now reached an acute stage.

The General says:

There's a reason for the big demand for our roofing in spite of the European war. It is because we combine in our products the two great essentials that guide consumers in the choice of their goods—highest quality and reasonable prices.

Certain-teed

Quality *Cert-ified* **Roofing** Durability *Guaran-teed*

is our leader; it represents the last word in the manufacture of modern, scientific roofing; its quality is the very highest that can be made anywhere in the world, and it is sold at a reasonable price.

If you have to be shown, remember we back up our statements by a regular guarantee in writing that 1-ply will last 5 years, 2-ply 10 years, and 3-ply 15 years, and that we stand behind this guarantee with the biggest roofing and building paper mills in the world.

LITTLE MEN IN BIG JOBS.

One of the great criticisms of the American Government is that political offices are too frequently filled by inferior men, whose character and capacity do not properly fit them for the business of passing just and wise laws. These men creep into Congress and the State Legislatures by "playing to the gallery" for votes and popularity, and instead of helping to pass good laws for the greatest good of the greatest number of people, seek merely to advance their personal power and prestige by advocating laws that ignore fundamental principles of business and are economically unsound and destructive in their effect on everybody. Class legislation is given in return for political debts, and special laws are urged favoring political henchmen or "pork barrel" contractors at home. Such men may gain some temporary advantage but are always discovered and eventually retired. Those who have made long, honorable records in public life were above this type.

Economic conditions adjust themselves under most any kind of laws, and in the long run, the order of things is bound to equalize in some form of a square deal. Class legislation always reacts on the people who are supposed to benefit by it.

What we need in our legislative halls is a class of men who do not seek to advance special interests or who do not seek too much personal prestige, men who are level-headed, honest and unprejudiced on any social, political or economic question, familiar with the fundamental principles of business and industry and are willing to work for favors toward none and a square deal for all.

Certain-teed Roofing is sold by dealers everywhere at reasonable prices. Be sure your roofings are made and guaranteed by us.

PLANS TO A D BELGIANS

President James Sees Big Fund From Football Match.

Urbana, Ill., Nov. 9.—A great post-season football game between the eastern and western champions for the benefit of the Belgian refugees, to be played in the largest stadium in the United States, is the plan of President James of the University of Illinois.

That the proposed battle would result in a sum of $300,000 or more is the belief of the president, who is at work securing the consent of the western conference to the plan.

The battle would be between either Illinois, Chicago or Wisconsin, the teams in the western semi-finals, and Harvard, Yale or Princeton.

Enjoins Street Car Men From Striking

Indianapolis, Nov. 9.—Indianapolis street car men are enjoined from going on a strike by a temporary injunction issued by Federal Judge A. B. Anderson, which supersedes the temporary restraining order he issued in September. The order is to be in effect until there is a hearing and decision on the petition for a permanent injunction against a strike. No time was set for the hearing.

Rhode Island Quarantined.

Washington, Nov. 9.—An order quarantining the state of Rhode Island against interstate shipments of live stock was prepared by the department of agriculture for issuance today. Rhode Island will make the eleventh state to be placed under federal quarantine in the campaign to suppress the epidemic.

Three Added to Fire Toll.

Belfield, N. D., Nov. 9.—The death toll of the prairie fire near here, in which Miss Gladys Hollister, a country school teacher, and three of her young pupils lost their lives, was increased to seven when three other pupils died from burns they suffered in a vain dash from the school house toward a plowed field.

Bulbs

We still have a quantity of BULBS in nearly all colors of Hyacinths and Tulips also Daffodils, Narcissus and Jonquils. There is nothing that will add a more beautiful touch to your home surroundings early in the spring than a bed or border of the above bulbs set out in the autumn. The ground is in extra nice shape now to set out bulbs, so do not delay this while the weather is good. Special prices on 100 lots etc.
